

NOTICE

ADDITION OF NEW TRADE

July 26, 2004

Effective immediately we have added a new trade classification entitled **Roofing – Historical Sites.** The classification code for this trade is **C075.** If applicable you may request this trade as part of your new or renewal contractor classification application.

In order to receive this trade the firm must submit a copy of a completed contract for at least two significant roofing jobs for buildings that are listed on the National and/or a State Historic Register. The contracts must have been completed in the last five years; have a detailed scope of work; be signed; include the contract amount; have the name and phone number of a contact person for the A/E or owner's representative.

Also, if applicable the contractor must include a copy of the manufacturer's certification for the roofing system which was used for the project(s).
